CALL FOR PAPERS

Joint XIII International Scientific Conferences on Social Sciences (ISCSS) and on Arts and Humanities (ISCAH) 2027

25-30 August 2027 | Flamingo Grand Congress Centre, Albena, Bulgaria

One joint multidisciplinary conference announcement covering social sciences, arts and humanities. Social-science directions encompass governance, law and policy; business, technology and AI; human adaptation; urban and public spaces; education and social equity. The wider programme includes history and philosophy, literary and linguistic studies, visual, performing and musical arts, architecture and design, heritage, cultural identity and memory.

Submission dates

Abstract submission: 3 August 2027.

Full papers and workshop proposals: 17 August 2027.

Programme outline

Registration: 25 August. Scientific sessions: 26-29 August. Post-conference field trip: 30 August, subject to change.

Submissions and participation

Researchers are invited to consult the official website for topic sections, submission instructions, peer-review requirements, participation options and fees. Conference participation is fee-based; this document is a scientific call for papers, not a free-attendance invitation.
